We use a financial accounting system called FACTS

- All preschool families will need to be registered for a FACTS account with accurate emails listed under the parent (be sure these are listed under the parents and NOT the student).
- Once your information is entered into the Facts system then you can go online and set up your account. You will need the first week's payment ready when setting up your account. Payments will need to be set up Weekly or Bi-Weekly.
- Once you set up your account it will go into a "Pending Status" until we go in and approve your account information.
- Payments will be made online or by calling FACTS directly at 866-441-4637.
- Payments are due on Monday every week unless you set up an automatic account.
- If you have issues with FACTS please call them directly at 866-441-4637, and they will assist you if you have any questions.
